Update as of March 9, 2019, 7:20pm

Dear Resident Family Members:

---

York Care Centre would like to provide you with an update regarding the 24-hour notification we received earlier, whereby York Care Centre employees represented by the Canadian Union of Public Employees, were in a position to withdraw their services as of Sunday, March 10<sup>th</sup> at 3:00am.

The Court of Queen's Bench has issued a stay order confirming that a 'legal' strike by Union personnel cannot occur for ten (10) days.

What this means is that our licensed practical nurses and resident attendants cannot withdraw their services during this period. We are currently unclear as to the ruling on our support personnel (dietary services personnel and environmental services personnel) and we will be seeking clarity.

We will continue to update information on our hot line **(444-3880 X 2313)** and our web site as required.

Once again, we thank you for your patience and support during this challenging period.  
Sincerely,

Robin Rickard  
Vice President Operations  
York Care Centre
